

## **Notice to Contractors WASTE MANAGEMENT PROCEDURE**

**For works in the Barkly, MacDonnell and Central Desert Regional Council areas.**

**The dumping of all waste types is subject to fees and operational requirements as specified by each Council.**

- 1. All contractors must report to Council office upon arrival**
- 2. Contractors must complete a Waste Estimate form prior to starting work**
- 3. Contractors are fully responsible for management and disposal of their own waste in accordance with Council policies and site rules**
- 4. Contractors must use waste separation areas provided at landfill**
- 5. Failure to comply with Council instructions or failure to separate waste streams may incur penalty fees for Council to manage that waste**
- 6. Asbestos is not accepted at any landfill, unless explicitly stated by council**
- 7. Septic waste must be disposed of in accordance with Council regulations. Prior consent must be obtained**

**Minimum waste fees will be charged according to the Waste Estimate form. Council reserves the right to inspect contractor waste and invoice for non disclosed waste.**

**Information on fees and policies can be found on Council websites or from Council offices.**
