## INFORMATION ABOUT COMPLETING THIS FORM

### Your name and address

Your address and contact details will not be released unless necessary to deal with your complaint. If you have serious concerns about your name, or details of your complaint being released please check Keep Confidential.

After a decision has been made regarding your complaint, you will be told about the decision in writing.

### Making your complaint against an elected member

If making a complaint against an elected member it should be about the behaviour of that member and why you think they have broken any part of the Council Code of Conduct. A copy of the relevant Code of Conduct is available from the council website or its offices.

Once received, details of the complaint will be provided to the councillor for an initial response. The President, Chief Executive Officer, or a delegate will consider your complaint and decide whether or not there should be an investigation or informal resolution or no further action.

### Details of the complaint

It is important that you provide all the information you wish to have taken into account when a decision is made whether to take any action on your complaint. For example:

- You should be specific, wherever possible, about exactly what you are alleging the member said or did. For instance, instead of writing that the member insulted you, you should state what it was they said.
- You should provide the dates of the alleged incidents wherever possible. If you cannot provide exact dates it is important to give a general timeframe.
- You should confirm whether there are any witnesses to the alleged conduct and provide their names and contact details if possible.
- You should provide any relevant background information.

### Confidential requirements

Please complete this section if you are requesting that your identity is kept confidential.

In the interests of fairness and natural justice, we believe members who are complained about have a right to know who has made the complaint. We also believe they have a right to be provided with a summary of the complaint. We are unlikely to withhold your identity or the details of your complaint unless you provide good reason.

Please note that requests for confidentiality or requests for suppression of complaint details will not automatically be granted. Your request will be considered alongside the substance of your complaint. We will then contact you with the decision. If your request for confidentiality is not granted, we will usually allow you the option of withdrawing your complaint.

However, it is important to understand that in certain exceptional circumstances where the matter complained about is very serious, we can proceed with an investigation or other action and disclose your name even if you have expressly asked us not to.
