## Caretaker Period

**REFERENCE NUMBER:** P- 60  
**ORGANISATION UNIT:** All  
**RESPONSIBLE POSITION:** Chief Executive Officer  
**RELEVANT DELEGATIONS:**  
**DATE ADOPTED:** 06 February (CRN 18/2015)  
**REVIEW DATE:** Every Council Term

### Objectives:

The primary objective of this policy is to restrict the Council from making major decisions, prior to an election, which would:

- bind an incoming Council; or
- allow the use of public resources in ways that are seen as advantageous or disadvantageous to the electoral prospects of sitting Elected Members who are seeking re-election or new candidates.

The Policy recognises the requirement for the Central Desert Regional Council administration to act impartially in relation to all candidates.

### Scope:

This Policy applies during a 'Caretaker Period' prior to Council general elections to cover major policy decisions that are made by the Council, the use of Council resources, including materials published by the Council, as well as attendance and participation in Council functions and events and, access to Council information.

### Definition:

In Australia the term "caretaker government" is used to describe the status of a government during a period that starts when the notices are issued for an election, and continues for a short period after the election - until the next government is formed.

Caretaker conventions require that:

- a) no major new policy decisions be taken
- b) no major contracts should be entered into; and
- c) no significant appointments or dismissals are made.

Caretaker provisions for Local Government were first introduced in Victoria through amendments to the Local Government Act 1989 (Vic) and other jurisdictions such as Queensland and South Australia have introduced similar provisions. Importantly, caretaker arrangements for Local Government, unlike those for Federal and State

Governments have been included in the relevant Local Government Acts. They are therefore legal requirements rather than political conventions in jurisdictions.

Central Desert Regional Council believes that the adoption of this Policy is in accord with its commitment to good governance.

### **Policy Statement:**

- This Policy applies to Elected Members and Council employees during a Caretaker Period prior to a General Election or election for the position of Council President to cover:
- Major policy decisions that are made by the Council;
- Scheduling consideration and announcement of major policy decisions
- Use of the Council's resources including material published by the Council
- Access to information
- Media
- Web site
- Attendance and participation in Council organised activities and events
- Public Consultation during the Caretaker Period.

### **Major Policy Decisions that are made by the Council**

Except in Extraordinary Circumstance the Council will not make Major Policy Decisions during the Caretaker Period.

Where Extraordinary Circumstances prevail, the CEO may submit a Major Policy Decision to the Council for its consideration.

To assist the Council to comply with its commitment to appropriate decision making during the Caretaker Period, a Caretaker Statement will be included in each report submitted to the Council where the Council's decision would, or could, be a Major Policy Decision. The Caretaker Statement will state:

The decision the Council may make in relation to this item could constitute a 'Major Policy Decision' within the context of the Councils Caretaker Policy.

### **Scheduling Consideration and Announcement of Major Policy Decisions**

So far as is reasonably practicable, the CEO should avoid scheduling Major Policy Decisions for consideration during a Caretaker Period, and instead ensure that such decisions are either considered by the Council prior to the Caretaker Period, or scheduled for determination by the incoming Council. Announcements of earlier decisions may be made during a Caretaker Period however, as far as practicable; any such announcements should be made before the Caretaker Period begins or after it has concluded.

### **Use of Council Resources including material published by the Council**

two ways :: one outcome

The Code of Conduct and the Local Government Act provide that the Council's resources are only to be utilised for authorised activities (for example - use of employees for personal tasks or use of equipment, stationery, or hospitality for non-Council business is not permitted). This includes the use of resources for electoral purposes. It should be noted that the prohibition on the use of Council resources for electoral purposes is not restricted to the Caretaker Period.

Council staff must not be asked to undertake any tasks connected directly or indirectly with an election campaign and must avoid assisting Elected Members in ways that could create a perception that they are being used for electoral purposes. In any circumstances where the use of Council resources might be construed as being related to a candidate's election campaign, advice is to be sought from the CEO.

Council resources, including material published by the Council, cannot be used for the advantage of a particular candidate or group of candidates. Council resources must only be used for normal Council business (which excludes the preparation or dissemination of campaign material).

Council resources must not be used for the advantage of a particular candidate or group of Candidates, however, Council may allow the equal use of Council resources by all candidates preparing for the election.

*This Policy does not cover material authorised by the CEO or Returning Officer to facilitate the conduct of the election or encourage voter participation.*

### **Access to Information**

All candidates will have equal rights to access public information and any assistance and advice provided to candidates as part of the conduct of the Council election will be provided equally to all candidates. Usual Freedom of Information (FOI) procedures will apply.

### **Media**

No media advice or support will be provided in relation to election issues or in regard to publicity that involves specific Elected Members. If satisfied that advice sought by an Elected Member during the Caretaker Period does not relate to the election or publicity involving any specific Elected Member(s), the CEO may authorise the provision of a response to such a request.

### **Web site**

During the Caretaker Period any new material placed on the Council website, which refers to the election should only relate to the election process by way of information, education or publicity. Information about Council Members should be restricted to names, contact details, titles, membership of committees and other bodies to which they have been appointed by the Council.

### **Attendance and participation at Council organised activities and events.**

two ways :: one outcome

Events and/or functions organised by the Council and held during the Caretaker Period will be limited to only those that the CEO considers appropriate and should not in any way be associated with any issues that in the CEO's opinion, are considered relevant to, or likely to influence the outcome of, an election.

Elected Members that are also candidates should not, without the prior approval of the CEO, be permitted to make speeches or addresses at events/functions organised or sponsored by the Council during the Caretaker Period.

All known candidates are to be invited to civic events/functions organised by the Council during the Caretaker Period.

Elected Members may continue to attend events and functions hosted by external bodies during the Caretaker Period.

### **Public consultation during the Caretaker Period**

The Council will not commission or approve any public consultation where it is likely that such consultation will continue into the Caretaker Period.

This Policy does not prevent any mandatory public consultation required by the Local Government Act or any other relevant Act which is required to be undertaken to enable the Council to fulfil its functions.
