Robin Hall talked about the postponed commencement of the Local Government Act from July 1 to next year due to complications of the pandemic.

CEO mentioned that Council didn’t support the postponement but most Councils wanted to delay. There are 2 major implications on the Local Authority with the new Local Government Act. First, the 50% + 1 rule for the quorum will be changed to 1/3. Second, the current rule that every Councillor has to be at every LA in their ward will be changed to Council nominating 1-2 Councillors per particular community. This may not have so much impact on Yuelamu Local Authority but other communities struggle in getting a quorum. These changes to the Local Government Act will make it easier to have a quorum.
