Council Services Report
The Local Authority reviewed and noted the Council Services Report.

3.2 General Business

4. OTHER BUSINESS

4.1 Petitions and Deputations

Cail Rayment of Power & Water (PWC) provided his deputation about the status of the PWC drilling project, water consumption, water demand and PWC advertising campaigns on Facebook, television and radio.

4.2 Northern Territory Government Report

Enock Menge talked about the postponed commencement of the Local Government Act from July 1 to next year due to complications of the pandemic.

DCORP advised the Local Authority that the major implication on the Local Authority with the new Local Government Act is that the 50% + 1 rule will be changed to 1/3 to have a quorum and the delay of the new Act will impact Local Authorities that struggle to get a quorum.
